**Faith Hope and Love**

The purpose of the church is to tell the human race who God is and the details of His private life. Who is authorized to do this?. Who is the best known individual to be able do this? Very obviously Jesus Christ is the first witness to God. No self-proclaimed prophets can tell us about the Father, Son, and Holy Spirit. This along with other details made known by Jesus concerning God and what He expects of us, is the truth of heaven itself sealed by the Body and Blood of Jesus Christ. We believe what the church teaches because we know that it is from God Himself but sadly the teachings of the church are trampled in the mire of men's basest passions. Consider the advice that passes for wisdom in today's society.

"Make sure that your son has condoms and that your daughter has her birth control pills when she goes to school." And of course if these means are not at your children's disposal always have a phone number of a good abortionist so that you can have your grandchildren murdered.

There can be no doubt that our world is in great need of faith, hope and love. These theological virtues are the foundation of Christian moral activity; they animate it and give it its special character. They inform and give life to all the moral virtues. They are infused by God into the souls of the faithful to make them capable of acting as His children and of meriting eternal life. They are the pledge of the presence and action of the Holy Spirit in the faculties of the human being.

"Without faith it is impossible to please God. For he that comes to God must believe that He is and that He is a rewarder to them that seek Him" Hebrews 11, 6.

**By my Holy Face you will obtain conversion of numberless sinners. Nothing that you ask in making this offering will be refused you.**

**According to the care you take in making reparation to My Face, disfigured by blasphemers, I will take of yours, which has been disfigured by sin.**

**(Our Lord to Sister Pierina)**

"Jesus is the stone which was rejected by you the builders which has become the corner stone. There is no salvation in any other manner. For there is no other name under heaven given to men whereby we must be saved." Acts 4,11.

The immediate consequence of belief is trust in the promises of Jesus. Based on our faith we can hope for the glory of heaven as promised by Jesus. This hope responds to the aspiration to happiness in the heart of every person. The Holy Scriptures exhort us to make the Lord the object of our hope.

"Put not your trust in princes, in the children of men in whom there is no salvation." Psalm 145 ,2,4.

"Blessed is the man whose trust is in the name of the Lord " Ps 39,5.

Thanks to Hollywood, there is no concept more battered and misunderstood as that of love. Since the beginning of God's communication with mankind He has insisted on the concept of love. He wants us to love Him and no another. This is the logical consequence of faith, if we believe in God, we know that He wants us to love, and if we believe God is the all-powerful Father of the human race we have hope. What is love? It is not a mere biological urge nor is it a preference for this or that circumstance or person. One loves when he does good for another. And we show our love for God when we do His will, when we do what He asks of us.

"Greater love than this no man hath, that a man lay down his life for his friends." John 15,13

"And now these three remain: faith, hope and love. But the greatest of these is love." 1 Corinthians 13:1

#### LETTER RECEIVED:

Dear HFA,

Thank you for the medals, leaflets, and large Holy Face pictures.

It was very providential that you gave me the book "**The Treasure of the Holy Face of Jesus**". It's contents have convinced beyond any reasonable doubt some skeptics who hesitated to embrace this devotion.

Indeed a great multitude of people who would otherwise perish depend upon our missionary activity.

I and the entire host of Saints send our heart felt prayers to God that you and your members persevere in the work of saving souls.

I want to reassure you that this most solemn devotion to the Holy Face of Jesus is a very attractive work of God through us. The Holy Face pictures have been placed in 6 churches and 4 cathedrals.

I feel very humbled when hundreds of these Heaven wrought Sacramentals pass through my poor hands.

I cherish this devotion in this age, where diabolical disorientation, materialism, and moral degradation are extremely rife. Keep up the good work. Totally in Jesus through Mary and Joseph, OBed, Lesotho - S. Africa

### **HOMO NON EST ANGELUS - Man is not an angel**

As we have been doing for over 22 years, we were gathered together on Sunday in the Franciscan church, making a Holy Face Holy Hour of Reparation in front of the Blessed Sacrament from 3:00 to 4:00 P.M.

During the Holy Hour, Our Lord showed me that I should thank everyone for being at this Holy Face Holy Hour; they were making reparation for all those who do not go to Mass on Sunday; Who treat Him like a mock king. "Whoever eats my flesh and drinks my blood possesses eternal life." John 6: 54

In 1939, Jesus shared his grief with Sister Pierina saying, "So many sacrilegious communions, but still more communions without love, and therefore without fruit." He repeated this three times to Mother Pierina.

Our Lord knows we are weak. This is why our Blessed Mother has been sent so often to teach us the way to Jesus. Our Blessed Mother - so loving - so caring - so simple.

The Holy Face Medal is a powerful sign from our Heavenly Father for repentant children.

Those who wear the Holy Face Medal, and promise to do so till the day they die, make a total self-consecration to Jesus. They will receive the grace to conquer all interior and exterior difficulties.

When one makes a total consecration, one should always strive to be in a state of grace - pure of heart - pure of soul - pure of mind & pure of body.

Confession is a tremendous sacrament of God.

By being truly sorry and confessing our sins to a priest, we are totally forgiven.

What a tremendous feeling of great joy, to receive Jesus with love and profound respect.

### **LETTERS RECEIVED CONTINUED:**

Dear Br. Dismas,

I keep faithful to my prayers to the Holy Face of Jesus. He has indeed worked wonders in my life. I feel blessed, made whole and loved, as I walk I feel

that I am in good hands. Consequently appreciating and valuing others has also intensified. Indeed Jesus brings love to us.

I wear the medal everyday and I feel that it has become part of me. It frequently makes me think of Jesus and have Him very close to me. I believe that many blessings have come to my life due to the effects of the deepened relationship with Jesus and devotion to His Holy Face. Please do send me some prayer cards and if possible the medals of the Holy Face so I can share with my family and friends.

Bye for now and May god bless you and let His Holy Face shine on you.  
In Christ, Mary
